### Restoring mobility.

Zimmer Biomet's Sports Medicine division has a solid reputation as an industry leader in the shoulder and knee products. However, it doesn't stop there. We are building on the success of these product lines and bringing them to the Foot & Ankle. Whether you're looking for products designed to repair the forefoot, midfoot, or hindfoot, you now have a comprehensive portfolio to help alleviate pain and improve the quality of life for the patients you treat.
